FROM

Deputy Commissioner, Hassan

TO

V. Vedavyasacharya, Esq., B.A.,
Development Secretary to Government,
Bangalore.

SIR,

Subject:- Acquisition of an extent of 9 guntas of land out of S.No.474 inam of Hirisave village, Chennaravartna Taluk required for Local Fund Dispensary building.

I have the honor to state that Government in their Order

No.R.5178-82/L.R.21-25-21 dated 15th April 1936 sanctioned the acquisition of 21 guntas and 19 guntas of land out of S.No.474 and 475 respectively for the construction of the Local Fund Dispensary at Hirisave.

But the laying of the foundation stone for the dispensary building near the Western boundary of the area already declared for acquisition instead of in the centre of the site as proposed originally has necessitated the acquisition of an additional extent of 9 guntas of land out of S.No.474.

The land now proposed to be acquired has already been taken possession and built upon with the consent of the concerned party. All that is required to be done is to formally acquire the additional extent required.

The registers in the Sub Registry Office show that the value of similar lands situated in the vicinity of the land

Compensation ..	33-12-0	to be acquired is Rs 145/- per acre
Statutory allowance.	5-1-0	
25 yrs. assessment.	7-13-0	
Local cess ...	0-7-10	
Education cess ..	0-3-10	
	<u>46-0-0</u>	

The cost of acquisition at this rate for 9 guntas of land works

P. t. o.

Chennarayana Patel

works up to Rs 48/- approximately.

The Chief Engineer in Mysore and the President, District Board Hassan who have to bear the cost of acquisition in equal proportion were consulted and they agree to bear their share of cost.

In these circumstances, I recommend the formal acquisition of 0-9guntas of land out of S.No.474 of Hirisave village:

The preliminary notifications both in Kannada and English in duplicate are herewith enclosed duly countersigned for being caused to be published in the Mysore Gazette and 20 spare copies of each supplied to this office for local publication.

The entire file of records ending with No. 8433 dated 21st March 1937 from the Chief Engineer in Mysore, Bangalore is herewith enclosed for kind reference and return.

I have the honor to be,
Sir,
your most obedient servant
